| Jack Daniels, lemon juice, egg white, sugar syrup     |        |

**NAR means pomegranate and is an old word used for Side. Pomegranate tree grows very slowly. You can see them beside the entrance of the hotel. In the Mediterranean area the trees are known since the ancient times. The fruit has a diameter of 9 cm and a yellow or red coloured peel which feels like leather. Inside you can find lots of hard seeds. The fruit tastes between sweet and slightly sour. Grenadine syrup is made from them.**
